If you know someone who might like to join JustTrade, let us have their email address and you will receive

Ten Lewes Pounds
if they join and place an order

JustTrade is a not for profit co-operative which enables its members to buy high quality foods.

The emphasis is on organic, fair-traded and locally sourced products. There is also a choice of eco-friendly cleaning and personal care products.

Members can choose from a list of over 300 products. Most items are ordered in bulk amounts although several items are available individually.

Orders are taken every second month and delivered to a central location where they are sorted by members on collection night.

JustTrade exists to help promote ethical consuming and expand your choices of where and how to shop.

Membership of JustTrade is open to everyone and costs £6 per year (1/2 price if paid with Lewes Pounds)

JustTrade is one of several projects initiated by Lewes based community development organization Common Cause Co-operative (www.commoncause.org.uk).

This is what to do on collection night starting at 4:30pm and finishing at 7:00pm

1. unload delivery lorry at Lewes New School, Talbot Terrace
2. assign goods to designated place in school hall
3. check goods received against delivery sheet
4. mark each item with number of member who ordered it
5. perform the JustTrade 'snake' and turn all the marked-up goods into all the individual orders in one swoop!
6. pair-up and check each other's order before taking yours home
