This is what to do on collection night starting at 4:30pm and finishing at 7:00pm

- 1 unload delivery lorry at Lewes New School, Talbot Terrace
- 2 assign goods to designated place in school hall
- 3 check goods received against delivery sheet
- 4 mark each item with number of member who ordered it
- 5 perform the JustTrade 'snake' and turn all the marked-up goods into all the individual orders in one swoop!
- 6 pair-up and check each other's order before taking yours home

**JustTrade is a not for profit co-operative which enables its members to buy high quality foods.**

**The emphasis is on organic, fair-traded and locally sourced products. There is also a choice of eco-friendly cleaning and personal care products.**

**Members can choose from a list of over 300 products. Most items are ordered in bulk amounts although several items are available individually.**

**Orders are taken every second month and delivered to a central location where they are sorted by members on collection night.**

**JustTrade exists to help promote ethical consuming and expand your choices of where and how to shop.**

**Membership of JustTrade is open to everyone and costs £6 per year (1/2 price if paid with Lewes Pounds)**

**JustTrade is one of several projects initiated by Lewes based community development organization Common Cause Co-operative (www.commoncause.org.uk).**
